100 Vine Street  
Lansdale, PA 19446

## Dear Neighbors and Friends,

Since 1889, the Fairmount Fire Company has proudly been providing fire, rescue and public services to the citizens and businesses of Lansdale Borough. The Fairmount Fire Company is comprised entirely of volunteers.

The department prides itself and strives to keep up with the most current firefighting and rescue techniques while maintaining the highest level of compliance with state and federal guidelines and mandates, in doing so we spend a considerable amount of time training and taking classes.

We are always looking for new members and have a variety of areas in which you can help such as firefighting (junior firefighter 16-18, senior firefighter 18 and over), and fire police. You can stop in on a Thursday evening or visit our web site at [www.fairmountfireco.com](http://www.fairmountfireco.com).

In June, we sponsored the annual "Under the Lights Car Show". We would like to thank everyone for coming and showing their support. As usual there was a terrific turnout. We look forward to next year.

We understand in these trying financial times it may be difficult, so if you are not able to give an amount suggested, we ask that you give what you can. We need your help more than ever.

Thank you in advance for your support!

**The Officers and Members of the  
Fairmount Fire Company of Lansdale**

### 2010 CONTRIBUTION RECEIPT

Reference No. \_\_\_\_\_  
Check No. \_\_\_\_\_  
Date \_\_\_\_\_  
Amount \$ \_\_\_\_\_

THANK YOU FOR YOUR CONTRIBUTION!  
FAIRMOUNT FIRE COMPANY OF LANSDALE

**A SOUND YOU CAN LIVE WITH!**

**BEEP! BEEP! BEEP!**

- Install at least one smoke alarm on every floor of your home, including the basement and each bedroom.
- Do not install smoke alarms near windows, outside doors or ducts where drafts may interfere with their operation.
- Make sure that everyone in your home can hear and recognize the sound of the alarm and knows how to react immediately.
- Remember hard-wired alarms have battery backups, which need to be replaced once a year.
- Daylight Savings Time is the ideal time to replace the batteries in your smoke detectors.

**EVERY 19 SECONDS  
A FIRE DEPARTMENT RESPONDS  
TO A FIRE IN THE U.S.**

**SPARKY**
